

# Asheville Community Band Donor/Support Form

---

Every year, the Asheville Community Band brings the greater Buncombe County community concerts of great wind band music. They rely on the generosity of sponsors to help defray the costs of their program which include: music rental and purchase, advertising, programs, scholarships, concert instrument transportation, and so on. Any amount of tax-deductible contribution is an important help for which they are grateful. Memorial gifts to the band are another way to support the music and to honor a loved one.

If you'd like to make a contribution, please complete this form and make your check payable to:  
*The Asheville Community Band.*
